

So many choices in life...Jesus' glory shines through

You may have never heard of the word **adiaphoron**. That's the singular and its plural is **adiaphora**. It's a word that we use to describe things that are neither commanded by God, nor forbidden. And there are hundreds and hundreds of things in our lives that we've probably never thought about—things that God doesn't address. And with adiaphora it doesn't really matter what we do because God doesn't talk about them.

Oh, but it does.

It does matter to the people that your loving Savior put next to you in your life. This Sunday we'll see how Jesus' glory shines through the confusion about adiaphora, and how we should be a reflector of that glory. Join us this weekend, enjoy the Savior's words about freedom and forgiveness, receive his Holy Supper once again, and look for his hidden glory....revealed to you.

Annual Voters' Meeting/Potluck Our annual meeting/potluck luncheon will follow the late service on Sunday, January 29. Please bring a dish a pass.

"Annual Report" Correction... As you look at your annual report, the Stewardship Team apologizes that it got ahead of itself. The 16:3 Stewardship Appeal runs through December 2013, not December 2012. In other words, we have one year in with two to go.
