

How To Sign Up To Purchase SCRIP Online

1. Go to <http://www.shopwithscrip.com/>.
2. Click **Register**.
3. Click **Join a SCRIP Program**.
4. Enter Immanuel's enrollment code. It is: 64F67B5414L87 and click **Register** and continue filling in your information. You will then need to sign up with PrestoPay.
5. To sign up with PrestoPay click **Dashboard** from the top of the home page.
6. On the left hand side of the page, click **Family Functions**.
7. Click **PrestoPay** and fill in your banking information.
8. PrestoPay will confirm your bank account by depositing two small amounts into your bank account. (It usually takes a few days for the two deposits to show up in your bank account. Also, a few people have told me they only see one amount deposited. The reason this happens is because the two deposits are so small and deposited at the same time, the bank will sometimes combine the two amounts. If this happens you simply need to contact your bank to verify what the TWO deposit amounts are.)
9. You will then need to return to <http://www.shopwithscrip.com/>, sign into your account, enter those two deposit amounts in your PrestoPay registration to verify the account, and choose a PIN number to use for online payment.
10. You will receive an email with an approval code that **you will need to send to me** so the registration may be completed.

Let me know if you have any questions.
